Thank you for considering The Mill as a partner for your fundraiser.

We are pleased to have the opportunity to provide you our wholesale pricing in order for your organization to raise money. We offer innovative and exciting opportunities in fundraising for your school, church, team or other organization. Our products are top-quality, fun to sell and highly profitable.

Here are some of our most commonly asked questions:

Why do organizations choose The Mill as a fundraising partner?

- We provide 40%-45% of the funds raised to the organization, which is exceptional compared to other typical fundraisers that offer 15% - 30%.
- We are a locally owned, “bricks and mortar” business that loves to give back to our community.
- People consume coffee on a year-round basis and the reputation of the quality of our coffee is outstanding.
- Our product is easy to handle and has an excellent shelf life.

How much will our group make on each bag?

You will be making \$5.50/bag of coffee and \$5.00/bag of tea and cocoa powder! This is if you sell all bags to your customers at our recommended price of \$12/bag. A great deal for them and a great opportunity for you.

Will Mill coffee still be fresh when I receive it?

Yes, our coffee is roasted fresh and quickly sealed for extended shelf life and our fundraising orders are handled with the same care as all of our other orders.

Is there a minimum order amount?

No, there is no minimum order requirement.

How will the coffee be packaged?

The coffee will come to you in 12oz heat-sealed bags. The tea and cocoas will be in 6oz heat sealed bags.

Can The Mill Fundraiser be used more than once per year?

There is no limit to using our program. Some organizations use our program two or three times per year to raise funds.

Why is this program easy to sell?

So many people love to drink great coffee! (We do offer tea and cocoa options as well)

Do we need to collect money for the product in advance?

Yes. Money will need to be collected at the time of the sale and checks made out to you and your organization. You will need to send us the wholesale cost of the coffee, and then the product will be freshly and individually bagged and marked for your delivery to sellers.

How long after we turn our order in will we receive our coffee to deliver?

You will receive your freshly roasted coffee order one to two weeks after you place it. We will work with your group regarding delivery timing.
