

Band Families,

Now that uniforms have been issued, picture day has been scheduled. This is another very important fund raiser for the band. Families can purchase merchandise such as buttons, folios, and magnets among other items- these make excellent gifts for the holidays. An order form is attached.

Professional photographer (and band parent) John Peterson will coordinate the photo shoots and manage the merchandise orders. This is a voluntary event, but highly encouraged.

Photos will occur on two days- Locations to be announced in class and on Facebook once confirmed:

- **Saturday October 19 from 12:00p to 1:15p** - prior to the LPS competition. Priority to Juniors, Seniors, and underclassmen athletes. Freshmen may be photographed while 10-12 grade warms up for the competition.
- **Saturday October 19 from 5:45p to 7:00p** - following the LPS competition (if needed). Priority to Juniors, Seniors, and underclassmen athletes.
- **Tuesday October 22 (PLC Day) from 2:00p to 4:00p**- Priority to Freshmen, Sophomores, and anyone that missed the Saturday opportunity.

**Parents:** Saturday will already be very busy and many of our regular volunteers are already committed to uniforms, pit crew, and color guard needs. **Please consider signing up if you can assist in holding mirrors, helping with forms, and just keeping order in the line.** <https://www.signupgenius.com/go/20f044caeac2da7fb6-2019>
